Dear Sir/Madam

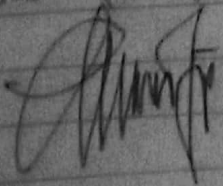

Application for the post of Programmer.

I read with interest your advertisement in Instagram "@loker probolinggo" about a job vacancy for the post of programmer and would appreciate if you could consider my application.

I'm 21 years old and single. I'm graduated from state of Polytechnic of Malang majoring at Informatics management study program with GPA=3.50

As you will note from enclosed CV, I have a thought knowledge about Computer, web programming and android programming. I have experience at Field Practice at VEDC Malang for 1 month with a project "Population data information system. I hope I may be granted an interview at which I would be pleased to provide any further information you need. I'm looking forward to hearing from you.

Yours faithfully
